

# You're invited . . .

## to join us in Redondo Beach for the Advanced Developer's course on AutoEDMS v6.5!

The AutoEDMS Advanced Developer Training Seminar is an intense, 3-day, single track course where hands-on exercises give you the practical development experience you'll need to customize, optimize and fine tune AutoEDMS to fit your company.

*Yes, you'll be gone 3 days, but you'll return 3 months ahead!*

You'll learn how to:

- Develop mobile ACL programs, libraries and subroutines
- Program with Forms and databases
- Automate Windows with AutoEDMS & DDE
- Use ODBC with AutoEDMS and develop with ELC
- Develop workflow solutions with the AutoEDMS Workflow Engine

### Who Should Attend

This seminar is valuable to System Administrators and those who want to further customize their AutoEDMS system.

### What to Expect

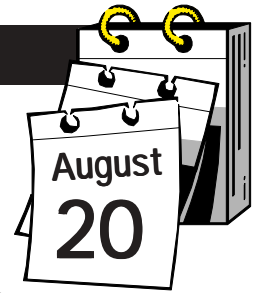

This seminar provides you with the skills needed to integrate and customize the functions of AutoEDMS. Throughout the course, intensive hands-on exercises give you practical in-depth development experience within the AutoEDMS environment.

### Cost

The cost for this comprehensive, three-day training course is just \$1195 per person, with a discount of \$100 for each additional attendee from the same company attending training at the same time. *And . . . if you register & pay by July 18th, you'll save 10%!*

### Dates & Location

The AutoEDMS Advanced Developer Training Seminar will be held Wednesday - Friday, August 20th - 22nd, 2003, at the Crowne Plaza Hotel in Redondo Beach, CA. Classes run from 8:00 a.m. until 5:00 p.m. both Wednesday and Thursday, and will adjourn around 4:30 p.m. on Friday.

### Hotel Information

Crowne Plaza  
300 North Harbor Drive  
Redondo Beach, CA 90277-2552  
Phone: (310) 318-8888  
FAX: (310) 376-1930

For room reservations, contact Crowne Plaza directly — (310) 318-8888. When calling in, identify yourself as being part of ACS Software, as a block of rooms has been reserved specifically for ACS Training attendees at a rate of \$149 per night. *This block of rooms is guaranteed until August 8th.* We recommend making your reservations prior to this date, to guarantee a room.

Breakfast and lunch will be provided to you all three days, compliments of ACS Software. Dinner is available at local restaurants, 15 of which are within walking distance.

### Transportation

The Crowne Plaza recommends taking the "SuperShuttle" from the Los Angeles Intl. Airport (LAX) to the Hotel. No advance reservations are needed. From LAX, collect your baggage, then call SuperShuttle at (310) 782-6600 or use the phone on the Ground Transportation Board. Pick-up is at the Blue Van Stop area on the airport lower level. For a *return* ride to LAX, reservations must be made one day in advance — (310) 782-6600 or [www.supershuttle.com](http://www.supershuttle.com). The cost is approximately \$13 pp, each way.

### Attire

ACS asks that you dress "business casual".

# AGENDA

---

## Developer Training Schedule for AutoEDMS Version 6.5

---

**August 20th - 22nd, 2003**

Classes run from 8:00 a.m. until approximately 5:00 p.m. all three days, except on Friday, when class will adjourn around 4:30 p.m. *We begin at 8:00 a.m. sharp!*

To participate in the "hands-on" sessions, AutoEDMS Version 6.5 must be installed on your laptop and operational *prior* to arriving at training.

### Topics to be covered include . . .

#### AutoEDMS API (ACL)

- Refresher
- Foundation
- Fundamentals
- Development Environment

#### Requirements

- Experienced with AutoEDMS ACL programming and Form development
- Laptop loaded with AutoEDMS v6.5 (ACS recommends a Pentium II or greater)
- Laptop must be running Windows 98, 2000 or XP (machines running Windows 95 or NT4 must have the latest version of Internet Explorer installed, or be upgraded to 98, 2000 or XP)
- Microsoft compatible messaging software required, i.e., MS Outlook, Outlook Express, etc.
- External mouse and mouse pad - *a must! (Built-in mice are too slow!)*
- WinEdit ProPack — a Programming Editor  
You're welcome to download a fully functional 21 day trial copy from:  
[www.winedit.com/download.asp](http://www.winedit.com/download.asp)  
*WinEdit provides color-coded source code, auto-indent, regular expression "grep" searches and column selection.*

#### ACL Programming

- Subroutines & Libraries
- Attaché Registration
- Portable Code
- Workflow

#### Advanced Topics

- Windows Automation with DDE
- Program Control with ELC
- EMail Integration with MAPI
- Programming with AutoEDMS databases
- Error Handling
- . . . and more

# AutoEDMS Advanced Training Seminar Reservation Form for End Users

• • •

August 20th - 22nd • Redondo Beach, CA

To reserve your space in ACS Software's AutoEDMS **Advanced** Developer's Training Seminar for v6.5, please complete this form and fax it back to ACS at (310) 325-3059. Space is available on a first come/first served basis – *classes have been filling up quickly, so register early!*

## Seminar Cost

The cost for this comprehensive, three-day training course on AutoEDMS is just \$1195 per person, with a discount of \$100 for each additional attendee from the same company attending training at the same time. Fee includes all course materials and a certificate of completion. Make your check payable to "ACS Software, Inc." and **mail it to arrive by August 15th, 2003.**

## Early Bird Discount

By registering early, you will receive a 10% discount off the total cost of training! In order to qualify for the Early Bird Discount, we must *receive* payment by **July 18th** - no exceptions. Please note that this discounted rate is not transferable to future training courses.

## Cancellation Policy

If cancellation is necessary, a full refund will be given with 10 days notice (August 10, 2003). If less than 10 days and prior to 72 hours notice of the event is given, a refund of 50% will be returned. No refunds will be given for no-shows or cancellations within 72 hours of the event (August 17, 2003). *No exceptions.*
